R2 SE

With its tough exterior, uncompromising off-road ability and clever design innovations the Reconn R2 SE provides all the durability, comfort and convenience you'll need to take you wherever your adventures might find you. We've even included the kitchen sink, in our deluxe gourmet external kitchen – the first in the industry.

RECONN R2 SE

SUPER FAST SET-UP

With just the push of a button, automatic DC actuators will have your roof up in no time, making it one of the quickest and easiest setups on the market. Whether you're escaping the summer heat or sheltering from the rain, the wind out awning will protect you from the elements so that you can make the most of every single moment.

KITCHEN ENVY

Be the envy of the camp group, when preparing your meals in the Reconn R2 SE's gourmet kitchen.

Features include:
A sleek 3 burner gas cooktop
Roller door protection on the pantry and spice cupboard
The cutlery drawer is neatly tucked away behind the roller door, allowing for ample bench space.
A larger black sink with sleek black tapware has also been incorporated into the new design.
The new dimmable colour-changing strip lights are recessed in the roof of the kitchen and on the new look doors, for enhanced lighting at camp.

It really is the kitchen you never knew you wanted.

Modern black 3 burner gas cooktop
